3rd June 1914.

My Dear Mr. President

In view of the action of the Medical Faculty Council last evening requiring Candidates for the September supplemental Examinations to take Clinical instruction for the two months preceding the Examination, I suppose it will be necessary to appoint Examiners

~~Examiners~~ teachers to discharge that duty at the Hospitals named (The General, St. Michael's and the Children's) and so I beg to nominate Dr. Moorhead, at the General Hospital, Dr. Malcolm Cameron, at St. Michael's, and Dr. Bruce Robertson at the Children's Hospital.

Your Obedient Servant

I. H. Cameron
